Dear Ko,

I noticed that you did change Figures 12 as Danny wanted.

In Fig 13 you marked each decade in the vertical axis but there are no subticks. Could you not include the subticks as Danny wanted?

in Fig 14: please mark each decade in the vertical axis and include subticks.

These are the only changes needed to finish the version 2.

Thanks a lot! Graciela

Ko, can you update the two figures? Today, it is one month since we submitted the paper.
